The screenshot shows the IsoBuster Pro 4.0 application window. The title bar reads "IsoBuster - Pro - 4.0". The menu bar includes "File", "Options", and "Help". The main window title is "LITEON CV1-8B256_FILE.IBP". The address bar shows the file path: "File: LITEON CV1-8B256.IBP (238.47 GB)". The left sidebar shows a tree view with "Image File" expanded, containing "Partition 00", "Partition 01", and "Partition 02". The "Partition 02" is marked with a red 'X'. The main area displays a table of partitions:

Name	LBA	Last LBA	Size	Modified	Size (Blocks)
Partition 00	2,048	206,847	100.00 MB	N/A	204,800
Partition 01	206,848	239,615	16.00 MB	N/A	32,768
Partition 02	239,616	499,093,...	237.87 GB	N/A	498,853,888

Below the table is a "Properties" dialog box with a "Blocks map" tab. The blocks map is a grid where different colors represent different partitions: red for Partition 00, green for Partition 01, and yellow for Partition 02. The map shows the layout of data blocks across the image file. An "OK" button is visible at the bottom of the dialog box.
